3 Element Portable Antenna for 2 meters

The Arrow II line of antennas has been engineered to provide maximum gain and efficiency in the smallest practical size & weight. **ONLY 19 oz.**

Aluminum **Arrow Shafts** are used for elements.

The in-line gamma match is pre-assembled & pre-tuned. BNC connector only.

The boom is 3/4" square (with round corners) 37.5" long. Note the big black foam grip for easy holding.

Boom & elements all have plastic tips for safety.

Guarantee

No hassle refund
